Grind-All is a leader in precision grinding and machining, dedicated to delivering high-quality solutions to our clients. With a commitment to excellence and innovation, we are looking for a skilled **CNC Operator** to join our team and help us maintain our reputation for superior craftsmanship.

Job Responsibilities:

- Set up, operate, and maintain CNC grinding machines and other precision equipment.
- Read and interpret blueprints, technical drawings, and work orders to ensure precise machining.
- Monitor machine operations to detect issues and ensure compliance with specifications.
- Adjust machine settings, tooling, and programs as needed for optimal performance.
- Perform routine maintenance and troubleshooting to keep machines in top condition.
- Inspect finished parts using micrometers, calipers, and other measuring tools.
- Follow safety guidelines and maintain a clean, organized workspace.
- Collaborate with engineers, programmers, and quality control teams to improve processes.

Qualifications:

- Previous experience as a CNC Operator, preferably in a grinding or precision machining environment.
- Ability to read blueprints and technical drawings.
- Proficiency with measuring instruments and quality inspection procedures.
- Strong attention to detail and problem-solving skills.
- Ability to work independently and as part of a team.
- Mechanical aptitude and a commitment to continuous learning.

Preferred Skills:

- Experience with CNC programming (G-code, CAD/CAM software) is a plus.
- Knowledge of various grinding techniques and materials.
- Strong understanding of machining tolerances and surface finishes.

What We Offer:

- ❖ Competitive pay based on experience
- ❖ Opportunities for growth and advancement
- ❖ Comprehensive benefits package (health, dental, vision, etc.)
- ❖ Supportive and skilled team environment

Join us at **Grind-All** and take your CNC career to the next level!
